

How can I get into my favorite college? Does wisdom influence intelligence? How does quantum theory relate to Einstein's quote, "God does not play dice with the universe?" Will I ever use geometry? What if I don't know what I want to do professionally when I graduate from high school? Does God have a plan for my life? What philosophies influenced the development of two political parties in America? Do I really need a résumé? How can we serve needy families at Thanksgiving? What does a college admissions committee consider when deciding which students to admit? Why do we have a Poet Laureate in the Library of Congress? When should I begin looking for a college? How can I improve my jump shot? How can I feel more at ease when speaking in front of a group? What is the historical evidence for Christ's crucifixion and resurrection? Why is improvisation an important art form in the dramatic arts? Why are there so many Protestant denominations? Why was Jackson Pollack regarded as a giant of abstract impressionism? Do my choices determine my
