Dear First Name,

Let us turn your summer getaway into a work of art.

Imagine a portrait that captures your family in the spirit of summer with a backdrop you won't find at home...the beach, the mountains, the deck of a sailboat or your favorite vacation spot. Chances are that you'll look as good as you feel. Gittings will be photographing family gatherings, couples on honeymoon, children at play, and other smiling faces in six locations this summer:

Galveston, Texas

June 23 - July 5

Aspen/Colorado Rockies

July 6 - July 19

Miami/Key West, Florida

July 1 - July 9

Upper East Coast

July 12 - July 25

The Bahamas

July 20 - July 30

Destin, Florida

July 29 - August 6

Memories are made everywhere. Whether your destination is a farmhouse in Brenham or a beach on the French Riviera, we can be there to capture the moment.

Call now to arrange an appointment!

Regards,

Andrew Cordes
